

# Troyer Products

## Our Custom Capabilities

**Troyer Products is a leading producer of O.E.M. materials to the RV industry.**

We expertly create custom designed straps and tie-downs, bags, tents, fabric door covers, nets and dunnage products to meet your need, engineered to your precise specifications. Our experts in sourcing and product engineering are ready to assist.

We use American-made materials whenever possible. We include VELCRO® Brand hook and loop as well as webbing, D-Rings, slides, shock cord, hooks and quality yard goods in our constructions, and additionally, can source unusual fasteners or fittings for unique applications.

Based on service, quality and competitive pricing, we continue to be focused on helping our customers with their sourcing and manufacturing needs.

**Proudly**
